Registration
Packet
to Summer
Camp

**Raven
Knob
Scout
Reservation**

This Registration Packet contains all the forms you will need to register your unit for summer camp at Raven Knob Scout Reservation. It also has some important information and helpful hints about the registration process.

If you have questions, first consult the Leader's Guide, which contains more detailed information about camp and the programs offered. If that does not provide enough of an answer, contact the Camp Director, Mr. Keith Bobbitt, at the Old Hickory Council Service Center (336) 760-2900. Or for a faster response, please e-mail registration@ravenknob.com.

About this Packet

There are four steps to the registration process. The directions in this packet will guide you through each step and the forms that are required. You will notice that the form numbers correspond with the numbers of each step. For example, RKSR 2 (both Part A and Part B) should be completed in step 2. For your convenience, the forms in this packet are in reverse order so you can pull the next form you need off the back without disassembling the packet.

Making Changes

Changes can be made to a Scout's schedule before arriving at camp. Change requests may be submitted postal mail, fax, telephone, or online. Be sure to include your unit number, council, week at camp, Scout's name, and the requested change.

Helpful Hints

Here are some hints to help make your registration easy and trouble-free.

- ✓ After completing each form, make copies for your records and bring them with you to camp. You may never need them, but if something were to get misplaced, a backup copy of key information will save a lot of time, and possibly hurt feelings.
- ✓ Take note of the due dates for each step and send all materials on time. Not only does it make the process go smoothly, it ensures that Sunday check-in is quick and painless.
- ✓ Mail your registration materials to the right address. The address changes depending on when you send the materials.
- ✓ Write one check and make it payable to the Old Hickory Council, BSA.
- ✓ If possible, complete your swim checks before camp. This will help greatly with check-in on Sunday.
- ✓ If you have questions, call the Old Hickory Council at (336) 760-2900, or the camp office will be able to assist you after June 1st. You may also submit a question at any time via e-mail to registration@ravenknob.com.

Registration

A Campsite Reservation

Before starting the registration process, a unit must have a campsite reservation. If you received this packet along with the Leader's Guide, more than likely you already have a reservation. A deposit of \$100 is required to reserve a campsite for your unit. This is done either by submitting an Application for Summer Camp (RKSR A) or by rolling over your deposit from the previous year. If you submitted form RKSR A, make certain that you received confirmation for your reservation. If your unit withdraws its reservation before February 1, \$50 will be refunded and \$50 will be kept for processing. Deposits are for the upcoming year only. If you are uncertain about your campsite reservation, you can refer to the reservation chart on our website at:

<http://www.ravenknob.com/registration/>

Or you may call the Camp Director, Mr. Keith Bobbitt, at (336) 760-2900.

1 Unit Count

The first step of the registration process is the Unit Count which indicates the number of Scouts from your unit attending camp. Complete the Unit Count (RKSR 1) form and return it, with a payment of \$50 per Scout, to the Old Hickory Council Service Center by March 1. Scouts can be added to the count after this form is submitted only with the approval of the Camp Director and provided space is available in camp.

2 Session Registration

This step registers Scouts for sessions. Complete the Registration (RKSR 2a, 2b) forms and return them with the deposit for each Scout to the Old Hickory Council Service Center by May 1st. The Registration (RKSR 2a) form will help you calculate the deposit that is required for step 2. The deposit is calculated based on the number of Scouts attending camp along with any

Outback Program Fees. Session Registration RKSR 2b form lists the desired sessions for each Scout.

When we receive your Registration paperwork from Step 2, we will confirm receipt with a postcard or an e-mail for those using the online system. If any conflicts arise during the processing of your schedule requests, we will contact you directly.

While we try to accommodate all schedule requests, it may be necessary to make some adjustments. The administration reserves the right to limit the size of any program to ensure the safety and quality of instruction. Sessions typically limited in size include merit badges in the Shooting Sports area and the Outback programs. In the event of excessive demand, preference for participation will be based on the recorded payment date of the deposit accompanying the session registration (step 2) and the age of the participant. It is important to note that this is based on when the payment is received — when using Online Registration this is the date the transaction is completed online. When sending a check, the date received is the date the check arrives and is processed in the office.

The unit will be notified if any Scouts are registered for an Outback program that is full. All other program closures will be posted on our website prior to arrival, as well as announced during Sunday check-in.

Changes can be made to a Scout's schedule before arriving at camp. Change requests may be submitted postal mail, fax, telephone, or online. Be sure to include your unit number, council, week at camp, Scout's name, and the requested change.

3 Final Payment

The final payment includes the balance of all fees. The Final Payment Form (RKSR 3) will help you calculate the amount due. This form is a summary of all the financial transactions. This payment is due two weeks before your scheduled arrival date at camp. Be certain to allow plenty of time for the payment to arrive, and do not send any payments in the mail within two weeks of your arrival at camp.

4 Check-in

The registration process is completed when you check-in on Sunday after arriving at Raven Knob. First, we will confirm the head count of Scouts and leaders attending camp.

Next we will review the schedules for each Scout. While we try to accommodate all schedule requests, it may be necessary to make some adjustments. The most common adjustment is a change in the session time. Scouts may find the sessions on their schedule are at a different time than requested. Also, some sessions may be marked as closed at check-in. This is due to the high demand for that particular session. Generally, Scouts registered by the deadline

are included in these sessions. The sessions are closed to any new additions through schedule changes.

Schedule change requests will be taken at check-in and all day on Sunday. To change a schedule, complete the Schedule Change form (available at the Administration building) and turn it in to the administrative staff. The change will be confirmed with a copy of the new schedule.

In the case of an emergency, we need a copy of the Unit Roster that includes the phone number of each Scout. You may use your own format, or for your convenience the Unit Roster (RKSR 4a) is provided in the Registration Packet. If your unit conducted swim checks prior to camp, bring the optional Swim Checks (RKSR 4b) form with you to camp. Do not mail these forms; have them ready at check-in. Also, when you check-in at the Administration building, we will update schedules, settle any remaining balances and complete any last-minute paperwork.

Online Registration

The entire registration process can now be completed online from submitting schedules to making payments. To use Online Registration, you will need to login to the website at my.ravenknob.com using your e-mail address. The first time you login, you will need to choose a password and confirm your e-mail address.

If we have record of your e-mail address from last year, or your campsite reservations, you will be able to access your unit reservation information immediately. Otherwise, you will need the Reservation Code included with this packet. This code will allow us to match your e-mail address with your reservation. After entering this code, you will be able to continue with Online Registration.

On the website you are able to review the status of your reservation at any time and complete steps 1-3 as listed in this packet. Upon completing each step, you will be able to pay the appropriate deposit online using a credit card. In addition, you can print a copy of the corresponding form for your own records.
